# YMCA SCHEDULING JUST GOT EASIER

## 8-Week Programming COUNTRYSIDE YMCA

We are reducing the number of times you'll need to register for classes and programs by changing our fall and winter sessions from 5-weeks to 8-weeks. In each 8-week session, you'll have more time to build comradery, improve your fitness level, and develop skills.

Our summer will consist of three 5-week sessions, giving us 15 weeks of summer!

Overall, you'll have fewer registration times throughout the year. In addition, we are consolidating registrations for leagues and classes so you can register at one time for all programs in an upcoming session no matter the start date of the program.

For years members have asked for fewer registration dates, and now that time has come.

- Fewer registration sessions
- Consolidated program registrations
- 15 weeks of summer
- More time to build friendships
- More classes to build skills
- 8 weeks with the same instructor

**We bet you'll agree: 8 is great!**  
**YMCA scheduling did just get easier!**
