Indoor Triathlon

COUNTRYSIDE YMCA | LEBANON

Start 2025 by participating in Countryside YMCA's Indoor Triathlon. Swim, spin, and treadmill your way through the event without worrying about how the weather could affect your performance. This indoor race can help new triathletes gain confidence and challenge someone who regularly exercises. In either case, expect to enjoy an evening of excitement, encouragement, and connection with fellow racers.

What is an indoor triathlon?

An indoor triathlon allows you to compete in the triathlon events - swimming, biking, and running - without the impact of winter weather. For our indoor triathlon, the swim portion will be completed in our indoor 8-lane competition pool. The cycling portion will be completed in our spin studio. You do not need to bring a bike or helmet. All running will be done on treadmills in our Cardio Strength Center. For an indoor triathlon, the events are based on time, not on distance. For our indoor triathlon, you will swim for 10 minutes, bike for 20 minutes, and run for 15 minutes.

Visit our website countrysideymca.org for more details about how to register.
