

**GIVE TODAY**

## **FOR A BETTER YOU** Youth Development

**Countryside YMCA's Early Learners Literacy Program teaches not only letters and colors, but also socialization skills so that children in under served communities will be ready to learn in Kindergarten.**

## **FOR A BETTER COMMUNITY**

### **Healthy Living**

By helping kids, adults, families and seniors from all backgrounds improve their health and well-being, we build a stronger Warren County.

**South Lebanon Elementary reading teacher operates a year long after school "YES" Club that meets twice a week for an hour after school. Students are 3rd and 4th graders who struggle with reading. Peggy works with Y staff to help provide swimming lessons as the motivator for children to attend the program. The program has been successful at increasing all the children's reading scores, while learning to swim.**

## **FOR A BETTER COUNTRY**

### **Social Responsibility**

With our doors open to all, we work every day to connect people from all backgrounds across Warren County and support to those who need us most. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.

**"Gus has cerebral palsy and he just loves to come to the Y's Blessed Respite program and be with his buddies. It's also a great night for us because we get to go have a restful and peaceful meal, knowing he is in a quality program.**

**Thank you for reaching out to meet the needs of families with children who have special needs."**

**“I spent every day of my childhood summers at camp at the Y. It’s amazing how much our program has evolved over the years. I have really enjoyed meeting so many fun and unique campers over my last five years as a staff member. It is so rewarding to see us now be able to bring camp to kids in our community that need it most.”**
