

Share the kin caregiving experience with others like you.

Whether you're a grandparent, an aunt or uncle, or other relative, caring for a loved one's children full-time can be a challenge. It's easier when you can connect with others experiencing similar circumstances.

Our Kinship Connections group creates a community for kin caregivers to learn from one another and bond over their experiences.

This program is free for residents of Warren & Clinton Counties, thanks to the generosity of the Mental Health Recovery Services Board of Warren & Clinton County and to a grant from Ohio Children's Trust Fund.
