ANNUAL
CAMPAIGN
COUNTRYSIDE YMCA

MORE THAN JUST A RACE

The 9th annual Healthy Kids Triathlon is an opportunity for our community to support Countryside YMCA's Annual Campaign. It is also a catalyst for the community to aid in combating childhood obesity as well as to help our youth discover who they are and what they can achieve.

The Y brings families closer together, encourages good health and fosters connections through fitness, sports, and fun. As a result, youth and their families are receiving the support, guidance, and resources needed to achieve greater health and well-being for their spirit, mind, and body.

You and/or your corporation may make a meaningful and enduring impact toward our efforts in prompting youth development and healthy living through a generous contribution or sponsorship to the Healthy Kids Triathlon.

Your contribution of \$250, \$500, or \$1000 or more to the Healthy Kids Triathlon makes you a corporate Sponsor, a prestigious honor showing that you, like the Y, are committed to youth development, healthy living, and social responsibility in Warren Country, Ohio.
