## Scheduling your COVID-19 Vaccine with Premier Health

The arrival of the first COVID-19 vaccines brings hope and anticipation for better days ahead.

At Premier Health, we are pleased that so many are eager to get the vaccine. At this time, supplies are limited. We are committed to serving you, and we are working as quickly as possible to vaccinate you while following the vaccination guidelines setup by the Ohio Department of Health. We're confident that everyone in our communities who wants to get vaccinated against COVID-19 and is eligible (no vaccines have yet been authorized for children under age 16) will be able to. However, it's important to understand that this could take several months.

As the situation continues to evolve, we will do our best to keep you up to date. We appreciate your patience as we work through the complex process of getting these new vaccines into our communities. Quantities are announced on a weekly basis, and Premier Health will continue adapting plans based on the doses available to ensure community members receive the vaccine in the most efficient way. Appointments are required for vaccinations and criteria must be met. There are no out-of-pocket costs, but insurance will be billed. If you do not have insurance, you still qualify for the no out-of-pocket cost vaccine.

3 options to schedule your vaccination:

*Using either of our online scheduling options offers the fastest way to schedule without delays.

Our Care Lives Here

Schedule in Premier MyChart® *

Scheduling through Premier Health MyChart® is the most efficient way to sign up for your vaccination. If you already have a Premier Health MyChart® account, log in to confirm COVID-19 vaccine availability and schedule your vaccination. When you become eligible to be vaccinated, you will receive a "scheduling ticket" through MyChart®. Your receipt of this ticket indicates that you are newly eligible to receive the vaccination under the guidelines set forth by the State of Ohio. It is not a guarantee that you will be able to be vaccinated immediately. When you receive this notice, it will include additional information about how to schedule your vaccine using your MyChart® account. If you don't already have a MyChart® account, please contact your provider's office to request access, then activate your account.

Open Scheduling Without MyChart® *

Premier Health is committed to the distribution of COVID-19 vaccines to everyone in the community who wants to be vaccinated. If you are eligible for the vaccine and do not have a Premier Health MyChart® account, you can schedule an appointment online. Please check **premierhealth.com/vaccine** regularly for the latest on eligibility requirements and available appointments.

Eligibility requirements are set forth by the Ohio Department of Health. Requirements must be met or appointments will be cancelled.

Schedule By Phone

If you meet current eligibility requirements and want to schedule via phone, you can contact the Premier Health COVID-19 vaccine scheduling line at **(937) 276-4141** between the hours of 8:30 a.m. to 5 p.m., seven days a week. Please note that we are experiencing extremely high call volumes. Our operators are answering calls as quickly as they can in the order they were received. We thank you for your patience.

Cancelling Your Appointment

If you are unable to keep your appointment, please call our vaccine scheduling line at **(937) 276-4141** between the hours of 8:30 a.m. to 5 p.m., to alert us. We will only be able to reschedule if vaccine clinics are not fully booked.

Be Alert for Scams

We have been made aware that certain scams are targeting individuals by requesting social security numbers and/or bank information in exchange for coronavirus vaccine appointments. Please be on alert for these scams. We want to assure you that Premier Health is offering the vaccine to individuals without any out of pocket expense on your part and no one from Premier Health will ask for your social security number or banking information in exchange for a vaccination appointment. Contact the statewide Ohio Department of Health's COVID-19 call center at **1-833-427-5634**, to check the validity of news or claims that seem too good to be true. If you feel you have been a target of a scam, contact the Ohio Attorney General's Office at **OhioProtects.org**.
